AREA'S **LARGEST**
PROVIDER OF
 DISCOUNTED FIRST
 CLASS MAIL

Intelligent Mail Bar Code System (IMB)

Effective May 2011 ALL bar coded mail MUST bear the new style of bar code which Postal Mail-Sort is already compliant with.

Fast Forward Process

When a mail piece is addressed to a person that has moved, our system will automatically provide the bar code and updated address of that person.

INTELLIGENT MAIL BAR CODE SYSTEM (IMB)

**COMPLIANT WITH
 UNITED STATES POSTAL SERVICE (USPS)**

**PROCESS OF LOW TO HIGH VOLUMES OF MAIL
 FOR OVER 25 YEARS**

**Our customers are in
 full compliance with
 the USPS Requirements.**

www.postalmailsort.com

ADVANTAGES:

Multi-line Optical Character Reading (MLOCR and manual Encoders) equipment with the capability to apply eleven digit barcode, whether the zip+4 is present or not. This means faster more consistent delivery on your first class mail with less cost to you.

We can maintain and/or analyze your mailing list by taking out duplicates, adjust for change of address (NCOA) and delivery point of verification

Manual sort of rejected mail off the MLOCR and encoder equipment to qualify you for pre-sort discount rates.

Mail room management to handle customer's outgoing mail.

We offer next day air service with UPS, Federal Express and Express Mail.

Postal Mail Sort Ltd. provides an extensive range of services to process your First Periodical and Standard Mailings on time.
